EXPERIENCE

Freelance Designer & Video Producer, Michael Loya Studio — May 2026 – Present

Plan and produce social video content for a recording artist, from concept through final cut • Designed and launched a website for a multimillion-dollar automotive equipment company to expand its market reach and attract new customers • Designed logos and visual identities for additional clients' social media accounts • Manage every project end-to-end, from scoping and creative direction through revisions and final delivery

Graphic Design & Video Intern, BODYARMOR SuperDrink — June 2025 – August 2025

Designed POS ads deployed across hundreds of BODYARMOR and Powerade retail locations nationwide • Produced an original video ad for Powerade's fall football campaign • Led AI capstone project generating branded content, presented to C-suite executives

Design Co-Director, University Union — December 2024 – May 2026

Co-directed design board producing visuals for 20+ events including concerts and festivals • Created graphics for social media reaching 12,000+ Instagram followers • Designed large-format signage displayed in the Schine Student Center • Oversaw visual direction and brand consistency across all University Union marketing

Head of Design, 20 Watts Magazine — September 2024 – December 2024

Designed graphics for events and promotional materials • Aligned design concepts with editorial goals across team meetings • Created onboarding tutorials for new members • Mentored and guided design team through projects

Head of Design, Mixtape Magazine — September 2022 – September 2024

Designed print magazine graphics and 10+ web article graphics • Collaborated with editorial teams on visual concepts • Managed and coordinated design projects from conception to finish
